If the participant does not say the name of her or his language, **prompt** "How would you tell them what language you speak?" "كيف يمكنك أن تخبرهم أي لغة تتحدث؟"

(response must be in English). English responses need not be grammatically correct but must be comprehensible. Demonstrating the use of a 'language request' card or stating that the participant would call someone they know who speaks English should be awarded full credit (1 point). If the participant states that s/he already speaks English, prompt "What if you needed to ask for an interpreter for another person?" "ماذا ستفعل إذا احتجت أن تطلب" "مترجماً لشخص آخر؟"

If the participant states that another family member will support her or him, prompt "How will s/he get money to support the family?" If refugee's response is too general (e.g., "go to the agency") or related to attributes that make one employable (e.g., "be hardworking and honest"), prompt "Can you

think of anything else?” “هل يمكنك أن تفكر بشيء آخر؟” If the refugee indicates they cannot work due to age or disability or if they are already employed, prompt “What can any refugee do to become employed?” “ماذا بإمكان أي لاجئ أن يفعل ليحصل على عمل؟”

Correct answers may be a description of driving or walking directions or stating which bus/train to take and where to get off. The participant need not name specific streets but should provide some description of which direction and how far to go (if walking or driving) or how far to go on public transportation. The answer should provide sufficient evidence that the participant knows where the grocery store or other critical service is; the question is not testing the participant's ability to provide directions.
